

sharedhousing.net

Shared Housing Network

A communication hub creating shared housing opportunities
for housed and unhoused people.

sharedhousing.net

For finding roommates.

For current and new landlords.

For current and returning renters.

Tips and strategies for those who are
or who are about to become homeless.

Pointers on how to avoid becoming homeless.

And what those who are securely housed can do to help.

Something for everyone.

Be a part of the solution!
